Host an Event

Throughout the beautifully landscaped twenty-five acres of the new Alabama Gulf Coast Zoo, we have integrated various venues that can provide a unique location for your upcoming event. We have both indoor and outdoor areas. If you are unsure of which venue would best suit your occasion, one of our Event Planner consultants will be happy to make recommendations based on the number of guests and the type of event, you are hosting.

Savannah Manor 868 sq ft (starting at \$750)

Located in the heart of the zoo's African Savannah, Savannah Manor is exquisitely furnished and overlooks the Lakes of Tambura Basin and Monkey Islands. The lakeside deck provides a perfect setting for wedding vows or corporate functions. A wrap-around veranda can set up for plated dinner or buffet inside the Manor.

African Bazaar 5000 sq ft Open Air (starting at \$750)

The African Bazaar is an exotic location with colorful sunshades and vendor booths. It is the perfect space for one-of-a-kind cocktail parties and can be combined with Savannah Manor for receptions and pre-parties.

The Event Center 4860 sq ft Open Air (starting at \$1000)

Our event center can host dinners for up to 300 and cocktail parties for up to 500. A large stage provides the opportunity for entertainment and award ceremonies. Overlooking the Americas portion of the zoo is a great vantage point for the Main Stage on the zoo's grounds.

Safari Club Onsite Restaurant (contact Safari Club Restaurant for pricing)

Our beautifully decorated restaurant is designed to provide a variety of choices to fit your event, from the Expedition Room, our private dining room, for small parties to the outdoor balcony overlooking the zoo for large cocktail parties and dinners.

Venue rental pricing does not include any catering fees.
