What's This..?

Bird Chat at South American Adventure

Enjoy an up-close look at one of our parrots with their avian trainers, as they head to the South American Yard.

Stage Presentation: Amazing Animal Adaptations

Join our keepers in the Event Center for an exciting presentation featuring members of our ambassador animal collection! Discover the fascinating adaptations that enable these animals to thrive in the wild, and get up close to them as our keepers share their stories.

New World Keeper Chat

Discover the incredible wildlife of North and South America! Join one of our keepers as they introduce you to species like the Bobcat, Black Bear, Capybara, and more. Look for our Keeper Chat sign to catch this special experience!

Animal Ambassador Walkabout

Enjoy seeing one of our many ambassadors out and about for a fun meet and greet opportunity! Starting at the event stage.

Training Tales

Meet one of our animal ambassadors as you learn about how we train the animals at the zoo. Explore the park to find out more!

Aviary Feeding Chat

Meet in our walk-thru aviary and learn how our avian keepers feed our birds with special diets.

Barn Chat

Meet our charismatic residents of the contact barn! Learn about our domestic species and how our keepers care for them.
